

Interpretation & Translation Services

Whether your organization is trying to reach foreign markets and investors or provide services to foreign-born segments of our community, the Tennessee Language Center can provide you with professional translators and interpreters to help you communicate effectively in over 100 world languages.

Wireless conference interpretation equipment is available to facilitate meetings and multilingual gatherings.

Your projects and assignments are handled by TLC Project Managers, ensuring quality, accuracy and attention to detail. Interpreters and translators are selected for subject matter expertise and are equipped to navigate medical, legal, social services, technical and other settings and subjects with skill and facility.
